**IMPORTANT SAFETY INFORMATION**

**IMPORTANT SAFETY INFORMATION**

TO THE OPERATOR

Prior to using the TARCO® SALT & PEPPER, you must be properly trained in the full operation of the machine. This would include but not be limited to a complete review of the operating and safety manual and a complete understanding of all safety procedures including the safety decals and information on the machine. If there is something you do not understand, ask your supervisor to explain it to you. If you require additional manuals or decals, please contact your dealer or the manufacturer.

Make sure all the manufacturers’ protective guards, shields, and screens are in good repair, in place, and securely fastened. Damaged, missing, or weakened safety components can create a hazardous situation for the operator. NEVER remove or modify any safety components on this equipment.

Wear all the protective clothing and personal safety devices issued to you or called for by the job conditions. This may include but is not limited to a hard hat, safety shoes, safety glasses or goggles, heavy gloves, hearing protection, reflective clothing or wet weather gear. Remember, you are responsible for your safety and that of your co-workers. Good safety practices protect you and the people around you.

NEVER ride on any part of the equipment when operating the machine or at any time. Never modify the machine for riders in any way. Prior to operating this machine, be certain that all operators can ride safely in the truck or vehicle being used to trailer the machine. If your machine has been altered to accommodate riders, remove these alterations immediately as this can result in serious injury or death. A “NO RIDERS” decal should be in place. Please request these from your dealer or use the web to contact and request them from Fort Miller FAB3 Corp. (518)-584-4400 or www.fmfab3.com.
**A WORD ABOUT SAFETY:**

The TARCO® SALT & PEPPER described in this manual is normally operated during bad weather such as snow & ice conditions. Due to these operating conditions it is important that you the operator use good safety practices at all times to protect yourself, co-workers, and others when operating this machine.

It is not practical or possible to warn you about all the hazards associated with the operation and maintenance of this machine. You must use your own good judgement supplemented with the information found on the safety decals, instructions in this manual, your employer’s safety programs, safety codes, local, state/provincial, and federal laws, rules and regulations.

When performing maintenance on the machine, trouble shooting the operations of the machine, loading the machine with material or operating the machine observe & obey all safety decals on the machine and warnings listed in the manual. Failure to do this could result in serious injury or death to you or others.

Remember at all times that as the operator, you are responsible for the safe operation of this equipment and are responsible for the safety of others. Good safety practices not only protect you but also protect the people around you.

**IMPORTANT SAFETY INFORMATION**

**WARNING**

A WARNING SYMBOL INDICATES A HAZARDOUS SITUATION WHICH, IF NOT AVOIDED, COULD RESULT IN SERIOUS INJURY OR DEATH

- **WARNING** DO NOT operate unit without wearing proper safety equipment as described in this manual.
- **WARNING** DO NOT operate, maintain or repair this unit without fully reading and understanding ALL aspects of this manual.
- **WARNING** DO NOT lubricate, make any adjustment or repairs before proper LOCK OUT/TAG OUT is performed.
- **WARNING** DO NOT operate the unit while under the influence of alcohol, drugs, or any medication that could impair operating abilities.
- **WARNING** DO NOT operate the unit with ANY guards or safety devices broken, missing, or inoperable.
- **WARNING** DO NOT operate the unit without fully inspecting the unit for any damage or leakage.
- **WARNING** DO NOT use equipment that is not safe.
- **WARNING** DO NOT operate the unit if all operating controls and safety devices are not in good working order.
- **WARNING** DO NOT operate unit in a state of disrepair.
- **WARNING** DO NOT ride, sit or stand on the unit while in use.
- **WARNING** DO NOT place hands or feet near moving or rotating parts.
- **WARNING** DO NOT jump from the vehicle.

***FOR WARNING/NOTICE DECALS THAT ARE MISSING OR NOT LEGIBLE, OR FOR MANUAL REPLACEMENT COPIES, OR IF YOU HAVE QUESTIONS OR CONCERNS CONTACT FORT MILLER FAB3***

(518)-584-4400 or [www.fmfab3.com](http://www.fmfab3.com)
**IMPORTANT SAFETY INFORMATION**

⚠️ WARNING ⚠️

- **DO NOT** modify the unit for any reason to allow for riders.
- **DO NOT** allow personnel to ride anywhere, except in the cab, when the unit or vehicle is in operation.
- **DO NOT** exceed weight limitations.
- **DO NOT** smoke or weld near the unit.
- **DO NOT** leave machine running unattended.
- **DO NOT** park unit on a steep grade or slope.
- **DO NOT** make UNAUTHORIZED modifications to the spreader and components may impair the function and safety of the machine.
- **DO NOT** let persons install, mount, operate, or service this equipment without being properly trained.
- **DO NOT** climb on the machine to clear it.
- **DO NOT** let anyone operate this equipment without proper training.
- **DO NOT** access the hopper without a proper safety platform equipped and with proper fall protection equipment.

⚠️ WARNING ⚠️

A WARNING SYMBOL INDICATES A HAZARDOUS SITUATION WHICH, IF NOT AVOIDED, COULD RESULT IN SERIOUS INJURY OR DEATH

⚠️ WARNING ⚠️

**DO** wear proper safety equipment as described in this manual.

***FOR WARNING/NOTICE DECALS THAT ARE MISSING OR NOT LEGIBLE, OR FOR MANUAL REPLACEMENT COPIES, OR IF YOU HAVE QUESTIONS OR CONCERNS CONTACT FORT MILLER FAB3***

(518)-584-4400 or www.fmfab3.com
**IMPORTANT SAFETY INFORMATION**

⚠️ **WARNING**  DO completely read and understand the owner’s manual before operating, maintaining, or repairing this equipment.

⚠️ **WARNING**  DO preform proper LOCK OUT/TAG OUT before any adjustment or repairs are made.

⚠️ **WARNING**  DO remove the negative battery cable before doing any maintenance on the unit.

⚠️ **WARNING**  DO follow and obey ALL safety regulations.

⚠️ **WARNING**  DO replace any worn or missing safety decals immediately, for replacements (518)584-4400 or at www.fmfab3.com

⚠️ **WARNING**  DO completely inspect the unit before leaving the service garage.

⚠️ **WARNING**  DO watch for pedestrians, animals, and other foreign objects when operating this unit.

⚠️ **WARNING**  DO completely disengage all power to the spreader, turn off the ignition, and remove the key before leaving the truck.

⚠️ **WARNING**  DO keep the spreader and surrounding area clear of personnel and property while in operation.

⚠️ **WARNING**  DO use care when mounting and dismounting the spreader from the truck.

⚠️ **WARNING**  DO keep the spreader and components in proper working condition.

⚠️ **WARNING**  DO observe and obey all warning and safety decals displayed on the machine.

⚠️ **WARNING**  DO always use a funnel for filling fuel tank and do not over fill the tank. Always be sure the engine is off when re-fueling.

**IMPORTANT SAFETY INFORMATION**

A DANGER SYMBOL INDICATES A HAZARDOUS SITUATION WHICH, IF NOT AVOIDED, WILL RESULT IN SERIOUS INJURY OR DEATH

**DANGER** When any mechanism, the conveyor chain, spinner assembly, top screen or other moving part becomes jammed or clogged use proper LOCK OUT/TAG OUT procedures to lock out all power sources before attempting to clear blockage.

**DANGER** The conveyor and spinner drive assemblies transmit great amounts of power and are hazardous when in operation. All maintenance, inspections, or operator adjustments must be made with the power off, and proper LOCK OUT/TAG OUT procedures must be followed. All safety guards and shields must be reinstalled prior to use.

**DANGER** When traveling, especially loaded, the unit may have a high center of gravity and caution should be exercised, especially when turning or driving on banked surfaces.

WARNING

Before attempting to operate this machine or work on it, be sure you have familiarized yourself with the instruction manuals and understand them. NEVER attempt to lubricate, inspect, or repair any component while power source is in operation or while it is engaged. Failure to follow these instructions could result in serious personal injury or equipment damage.

JDE# 27542 (7500-43) QTY=1

WARNING

Use extreme caution if you must enter the hopper area. Be sure top grids are secured in an open position in a positive manner. Be sure the power source for the entire spreader has been shut down and locked out before attempting to enter the hopper area. Do not walk on or work on top grid surfaces. Failure to observe these warnings could result in serious personal injury.

WARNING
Gasoline and its vapors are extremely flammable and explosive. Fire or explosion can cause severe burns or death.

WHEN OPERATING EQUIPMENT:
- Do not tip engine or equipment at an angle which causes gasoline to spill.
- Do not choke carburetor to stop engine.

WHEN TRANSPORTING EQUIPMENT:
Transport with fuel tank EMPTY or with fuel shut-off valve OFF to prevent flooding of engine

PLEASE NOTE
Refer to engine manufacturer’s manual for additional information
